भारत का संविधान

हम, भारत के लोग, भारत को एक संपूर्ण प्रभुत्व-संपन्न समाजवादी पंथनिरपेक्ष लोकतंत्रात्मक गणराज्य बनाने के लिए, तथा उसके समस्त नागरिकों को :

सामाजिक, आर्थिक और राजनैतिक न्याय,
विचार, अभिव्यक्ति, विश्वास, धर्म और उपासना की स्वतंत्रता,
प्रतिष्ठा और अवसर की समता
प्राप्त कराने के लिए, तथा उन सब में
व्यक्ति की गरिमा और राष्ट्र की एकता
और अखंडता सुनिश्चित करने वाली बंधुता बढ़ाने के लिए

दृढ़संकल्प होकर अपनी इस संविधान सभा में आज तारीख 26 नवम्बर, 1949 ई० (मिति मार्गशीर्ष शुक्ला सप्तमी, संवत् दो हजार छह विक्रमी) को एतद्द्वारा इस संविधान को अंगीकृत, अधिनियमित और आत्मार्पित करते हैं।

CONSTITUTION OF INDIA

WE THE PEOPLE OF INDIA, having solemnly resolved to constitute India into a **SOVEREIGN SOCIALIST SECULAR DEMOCRATIC REPUBLIC** and to secure to all its citizens :

JUSTICE social, economic and political ;

LIBERTY of thought, expression, belief, faith and worship ;

EQUALITY of status and of opportunity ; and to promote among them all

FRATERNITY assuring the dignity of the individual and the unity and integrity of the Nation ;

IN OUR CONSTITUENT ASSEMBLY this twenty-sixth day of November, 1949, do **HEREBY ADOPT, ENACT AND GIVE TO OURSELVES THIS CONSTITUTION**

“Real education has to draw out the best from the students to be educated” - **Mahatma Gandhi Ji**

Dear students,

It gives me immense pleasure to welcome you all, seeking admission in the current academic session in this premier and prestigious institution where quality education is being imparted to thousands of students in sciences, humanities and commerce streams along with vocational courses at UG and PG level. In professional education under the aegis of HEIS, BCA, BBA, BTM, B.Sc. Biotechnology and PGDCA courses, we endeavor to create excellent professionals.

It is a matter of great honor to be the Principal of a college that not only provides quality education to its students but also aims at their holistic development. We aim to evaluate our students on the basis of their physical, mental, social, emotional and intellectual development. The sole purpose of education is to enable the students to become economically independent, mentally strong and spiritually elevated human beings to lead a fruitful life. True education leads to the transformation of human mind. Infact, it unfolds newer horizons to the receptive mind. In this era of globalization the aim of education is to make our students global citizens by harnessing their skill quotient. Inclusion of competitive spirit at all levels has become necessary which can be achieved through quality education. The diversification of learning opportunity, enhanced employability and innovative skills are essentially being required in this globalised world and this is what we strive to impart in this institution.

The motto of our college is “**ज्ञानसो मा ज्योतिर्गम्य**” which means “enlightenment of a person to face the challenges of life”. This institution is responding well to the post-modern scenario of education imbining positive change and producing not only excellent academicians, outstanding sports personalities and cultural ambassadors but at the same time, wonderful human beings. We take on the task of character building as an important area of growth along with excellence in academics. The focus also remains towards value based learning, soft skills development, leadership training and crisis management. With the advent of technology as we are moving into a boundary less inter-connected world, our institution is the centre for collaborative and comprehensive learning that would prepare the students for challenging roles in future.

The COVID-19 pandemic has drastically changed our life leading to unprecedented state of affairs in all the sectors. The education sector has also been greatly affected. Teaching, learning, training, examination and other co-curricular activities have been altered for more than one and half years. A new order has been established in the world for the work places and institutions where social distancing, cleanliness, sanitization of hands and work places, yoga exercises, isolation, quarantine, home quarantine, thermal screening, boosting of immune system are the new buzz words for the safety and survival of mankind. We have been practicing these safety measures in our institution quite rigorously to save our life from the deadly Corona Virus. The students will have to follow the standard operating procedure (SOP) in the institution as notified by the concerned authorities, from time to time.

The teaching-learning process in the institution has undergone a major change. We have shifted from conventional classroom teaching-learning mode to online teaching- learning mode. Information technology has come to our rescue in this unpropitious time. Many new techniques and innovations have been brought forth to fill the gap of classroom teaching. Social media such as WhatsApp and Telegram and virtual platforms like Google meet, Google Classroom, Zoom, Webex etc. are being used. Students and teachers are being trained to make the best use of technology in the field of education as well as other co-curricular and extra-curricular activities. I hope that the hard work and sincere efforts of my teachers and students will bring a new era of online teaching and learning mode coupled with offline mode, in this session too. I am optimistic that the college will scale new heights and set an example for other institutions to emulate.

Experimental learning to me is the key to quality education. I seek to instill in our students a passion for the same and its best utilization. As the Principal of the college, I shall endeavor to the best of my capacity to turn the dreams of my students into reality and strengthen their future with high academic standards and discipline. “Together we will, together we can”. My best wishes to all of you. The future belongs to you.

Dr. Vasundhara Rajan Bhardwaj
Principal

Introduction

Government College Bilaspur is one of the oldest and amongst the most prestigious colleges of Himachal Pradesh. Established in the year 1952, it has remained instrumental in providing quality education to the people of the town and adjoining areas. Nestled below the imposing Bandla hills on the left bank of the world famous Gobind Sagar Lake, the college campus presents ideal surroundings for scholarly pursuits. Over the past 68 years, the college has established a glorious record of academic excellence and has made remarkable achievements in various fields such as sports, cultural and extracurricular activities.

The college is affiliated to Himachal Pradesh University and has been accredited B grade by NAAC. The institution provides education in Arts, Science and Commerce & Vocational streams (B. Voc.). The Computer Science Department of the college is running Bachelor of computer application (BCA) and Post Graduate Diploma in Computer Application (PGDCA) programme under the self financing scheme. Under Self-finance scheme B.Sc. in Biotechnology, BBA & BTTM are also functional in college.

The College has well equipped lab in Physics, Chemistry, Botany, Zoology, Biotechnology, Computer Science, Geography and Music departments. It has also established a computer laboratory to improve the computer skills of students. It also has a Library equipped with INFLIBNET facility. Regular activities such as Sport, NCC, NSS and Rovers & Rangers enhance the vibrance of the institution. Residential facilities for students and residential quarters for its teaching and non teaching members are also available in college.

College has an active Eco Club and Red Ribbon Club to provide an integrated development of the students. The college hosts a number of inter college, sports and cultural events to provide variant opportunities to the students to sharpen their talent and skills in different fields. The College has an active Environment Club, Energy Club, different Cultural societies and subject related Societies to celebrate various notified days and events to educate students throughout the year. An overall integrated development of the students is the prime objective of this institution.

MOTO: "तमसो मा ज्योतिर्गम्य" : From Darkness Lead me to Light

VISION:

Empowering students by providing the best infrastructure to achieve excellence in education by maintaining high standards in teaching, making them responsible citizens, providing value based education to focus on character building and identifying their hidden talents.

MISSION:

To strive for "Quality Education for all and prepare young minds for imbibing knowledge, skills and sensitivity.

Note: All the courses are approved by Govt. of HP and are affiliated to HP University Shimla.

2. CHOICE BASED CREDIT SYSTEM (CBCS)

Choice Based Credit System (CBCS) for UG Classes under Rashtriya Uchhatar Shiksha Abhiyan (RUSA) was implemented in the year 2013, where the courses are measured in terms of credits. A credit is a method/unit to measure the volume of content, learning effort, achievement of learning and weightage of the course. The term credit refers to the weightage given to a course usually in terms of instructional hours per week assigned to it. For the purpose of credit determination, one lecture or tutorial of one hour a week and a practical of two hours a week is considered as one credit. The HP University has implemented new CBCS as framed by UGC since 2016 in which a student is required to attain/secure 132 credits in three year degree course or specified as per guidelines.

Outline of Choice Based Credit System

1. **Core Course (4 discipline specific papers each for regular courses and 2 papers each for English and Hindi/MIL in B.A. /B.Com.):** A course, which should compulsorily be studied by a candidate as a core requirement is termed as a Core course.
2. **Elective Course :** A course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/subject of study or which provides an extended scope or which enables an exposure to some other discipline/ subject/domain or nurtures the candidate's proficiency/skill is called an Elective Course.
 - 2.1 **Discipline Specific Elective (DSE) Course (2 each for regular courses):** Elective courses offered under the main discipline/subject of study is referred to as Discipline Specific Elective.
 - 2.2 **Dissertation/Project*:** An elective course designed to acquire special/advanced knowledge, such as supplement study/support study to a project work and a candidate studies such a course on his own with an advisory support by a teacher/faculty member is called dissertation/project.
 - 2.3 **Generic Elective (GE) Course (2 each for B.A./B.Com. regular courses) :** An elective course chosen from an under related discipline/subject, with an intention to seek exposure beyond discipline/s of choice is called a Generic Elective.
- NOTE :** A core course offered in a discipline/subject may be treated as an elective by other discipline/subject and vice versa and such electives may also be referred to as Generic Elective.
3. **Ability Enhancement Course (AEC) :** The Ability Enhancement (AE) Course may be of two kinds : Ability Enhancement Compulsory Courses (AECC) and Skill Enhancement Courses (SEC). "AECC" Courses are the courses based upon the content that leads to knowledge enhancement ; (i) Environment Science and (ii) English/Hindi/MIL Communication. These are mandatory for all disciplines. SEC courses are value-based and are aimed at providing hands on training, competencies, skills, etc.
 - 3.1 **Ability Enhancement Compulsory Courses (AECC):** Environmental Science, English Communication / Hindi Communication / MIL Communication.
 - 3.2 **Skill Enhancement Courses (SEC) (4 for regular courses):** These courses may be chosen from a pool of courses designed to provide value-based knowledge and should contain both theory and lab/hands-on/training/field work.
4. **Practical/Tutorials (one each with every core and discipline/generic specific elective paper) :** Introducing research component in Under-Graduate Courses Project work/Dissertation is considered as a special course involving application of knowledge in solving/analyzing/exploring a real situation/difficult problem. A project/Dissertation work would be of 6 credits. A Project / Dissertaion work may be given in lieu of a discipline specific elective paper.

NOTE: Wherever a University requires that an applicant for a particular M.A./M.Sc./Technical/Professional course should have studied a specific discipline at the undergraduate level, it is suggested that obtaining 24 credits in the concerned discipline at the undergraduate level may be deemed sufficient to satisfy such a requirement for admission to the M.A. / M.Sc. / technical/ Professional Course.

According to the Himachal Pradesh Education Institution (Prohibition of ragging) ordinance, 2010 no person shall practice ragging in any form, within or outside premises of an educational institution. Any person who contravenes the provisions of subsection (1) shall on conviction be punished with imprisonment for a term which may extend to three years or with fine which may extend to 50 thousand rupees or both.

Any complaint of ragging should be brought immediately to the knowledge of Principal or Warden, member of anti ragging squad or police by student or his/her parent. If the individuals, committing or abetting ragging are not identified, collective punishment can be given.

Discipline

College is a silence zone. The academic atmosphere of the college should not be disturbed by ringing mobile bells/songs or by raising slogans in the campus. Students are expected to conform to certain norms of decent behavior in and out of the college. They are well advised not to pollute the atmosphere of the college in any way. Those who indulge in acts of indiscipline invite disciplinary action such as reprimand, imposition of fine, suspension or expulsion, depending upon the gravity of indiscipline indulged in. Smoking and use of other tobacco products is a punishable offence under law so, its use is strictly banned in college campus. The offender will be penalized accordingly.

College Fee and Funds

1. All annual charges will be charged at the time of admission to 1st, 2nd and 3rd year.
2. Fee once deposited will not be refunded.
3. Library security can be taken within one year of leaving the college, otherwise it will lapse.
4. Special fines can be imposed by college.
